

WARNING - CHANGES TO CLUB REGISTRATION – FEBRUARY 2020

ALL MEMBERS OF THE CLUB WITH ONE OR MORE HISTORIC VEHICLES ON CLUB REGISTRATION MUST PAY THEIR SUBSCRIPTION AND HAVE THEIR LOGBOOK/S UPDATED OR REPLACED BEFORE THE END OF DECEMBER EACH YEAR

BUT IF YOU HAVE MISSED THIS DEAD LINE PLEASE PAY YOUR SUBSCRIPTION EITHER IN PERSON OR BY POST BEFORE THE END OF FEBRUARY, DETAILS BELOW.

YOU MUST NOT USE YOUR VEHICLE UNTIL YOU HAVE PAID YOUR SUBSCRIPTION TO THE CLUB AND HAD YOUR LOGBOOK/S UPDATED OR REPLACED.

FAILURE TO PAY YOUR SUBSCRIPTION BEFORE THE END OF FEBRUARY WILL MEAN THE CLUB IS OBLIGED, BY THE CODE OF PRACTICE, TO FORWARD YOUR CLUB REGISTRATION DETAILS TO DPTI. THEY WILL ISSUE A LETTER INFORMING YOU THAT YOU HAVE TO CHOOSE TO EITHER PAY YOUR SUBSCRIPTION TO THE CLUB OR MOVE BACK TO NORMAL VEHICLE REGISTRATION WITHIN FOURTEEN DAYS.

You can pay your club fees and have your log book/s updated at the clubrooms **between the hours of 10 am and 12 noon, on the second and fourth Saturday in February.**

If you can't get to the clubrooms, you can post your subscription payment, logbook/s and blue registration papers to the club. The postal address of the club is on page 1 of the magazine. Please include a stamped, self addressed envelope for the return of your logbook/s and papers.

Check that you have at least one unused "Membership Year" entry in your logbook/s (fourth page in). If not, please include \$5.00 for each new book required.

Have your **blue registration papers** been endorsed by the club since you last re-registered your car/s? If not, include them for endorsement. **If you require a new logbook, they must be included.**

From **March through to October this year**, it is business as usual on the **second and fourth Saturdays, 10 am to 12 noon**, to apply for entry into the Club Registration scheme for vehicles **manufactured before 1991**. Please check the Club calendar for Club Registration dates.

Please note, the **Code of Practice for the Conditional Registration of Historic, Left Hand Drive and Street Rod Vehicles** can be down-loaded from the Web. Go to: www.dpti.sa.gov.au and search for "conditional registration", then select "Historic, left hand drive and street rod vehicles".

There are also 2 copies available for you to read in the Clubrooms.
